04	Plan your studio A simple procurement brief and configuration checklist.	18
05	References & enquiries Source details and your private quotation request.	19-20

HOW TO USE THIS BROCHURE

Save the model name or reference code, note the quantity and tell us your city. We will confirm the available configuration, accessories, delivery and support terms with your quotation.

Brand names identify the original products. Inclusion is not a claim of manufacture or authorised dealership.

PMU MACHINES

Wireless PMU pens

Compare the model, power format and included kit before you shortlist.

WIRELESS / USB-C

Utopian Eco

A compact pen with an onboard display and swappable batteries.

Power	4-12 V; USB-C or battery
Battery	2 x 900 mAh
Listed runtime	2-4 hours per battery
Listed weight	118 g
Display	OLED

Confirm cartridge fit, colour and final kit contents.

TSG-M01

WIRELESS PEN

Falcon Wireless

A dual-battery pen with a fixed stroke and an OLED display.

Stroke	3 mm
Battery	Two rechargeable batteries
Listed runtime	5-6 hours per battery
Listed weight	95.3 g
Charging	USB Type-C; 2-3 hours

Confirm exact cartridge compatibility and supplied accessories.

TSG-M02

Source: Tattoo Gizmo product listings (18 Sep 2026). Runtime and weights are listing claims, not test results.

PMU MACHINES

Stroke & battery options

Compare the model, power format and included kit before you shortlist.

ADJUSTABLE STROKE

TSG-M03

Biomaser U1

A wireless model with an adjustable stroke and four operating modes.

Stroke	Adjustable 2.0-3.5 mm
Battery	2 x 2000 mAh
Listed runtime	4-6 hours
Modes	Four
Cartridges	Universal type, per listing

Confirm the U1 variant, battery specification and cartridge fit.

DUAL-BATTERY PEN

TSG-M04

Utopian Lapid

A pen offered with wireless and plugged-in operation.

Power	4-10 V
Battery	2 x 1200 mAh
Listed runtime	4-5 hours
Listed weight	90 g pen; 150 g with battery
Motor	Coreless; 8,000 rpm at 6 V

Confirm charging accessories and the exact kit configuration.

Source: Tattoo Gizmo product listings (18 Sep 2026). Runtime and weights are listing claims, not test results.

PMU MACHINES

Compact cordless options

Compare the model, power format and included kit before you shortlist.

WIRED / WIRELESS

GOOCHIE®
Permanent Make up

TSG-M06

Goochie X-Series

A compact pen with an OLED display and a removable battery.

Stroke	2.5 mm
Battery	750 mAh
Listed runtime	Approx. 3 hours at 8 V
Listed handle weight	93 g
Connection	USB Type-C / battery

Voltage figures differ within the source listing; confirm before ordering.

CORDLESS PEN

TSG-M11

Utopian Contour

A lightweight pen with a rechargeable power setup.

Operating range	4-12 V
Listed motor	4.5 W; up to 8,000 rpm
Listed runtime	Up to 6 hours
Listed net weight	80 g
Listed charge time	Approx. 45 minutes

Confirm battery configuration, weight basis and cartridge compatibility.

Source: Tattoo Gizmo product listings (18 Sep 2026). Runtime and weights are listing claims, not test results.

PMU MACHINES

Pens & power kits

Compare the model, power format and included kit before you shortlist.

PEN + DETACHABLE BATTERY

TSG-M07

TG Stylus

An RCA-compatible rotary pen listed with a battery pack.

Power	4-12 V
-------	--------

Listed motor	4.5 W; up to 9,000 rpm

Kit contents	Confirm every included item; photos may show optional extras.

Source: Tattoo Gizmo product listings (18 Sep 2026). Runtime and weights are listing claims, not test results.

STUDIO FURNITURE

Powered procedure chairs

Compare adjustment, size and load rating for your intended workspace.

REFERENCE AM59

Fully automatic derma chair

Listed load	200 kg
Listed size	1900 x 900 x 610 mm
Adjustment	3 motors; remote control
Upholstery	Synthetic leather / PVC / PU; sponge

Confirm colour, dimensions and supplied accessories.

REFERENCE AM60

Automatic procedure chair

Listed load	200 kg
Listed size	1900 x 900 x 610 mm
Adjustment	3 motors; remote control
Upholstery	Synthetic leather / PVC / PU; sponge

Confirm colour, dimensions and supplied accessories.

REFERENCE AM61

3-motor derma chair

Listed load	200 kg
Listed size	1900 x 900 x 610 mm
Adjustment	3 motors; remote control
Upholstery	Synthetic leather / PVC / PU; sponge

Confirm colour, dimensions and supplied accessories.

Furniture data: supplied reference brochures. Dimensions retain the source order; confirm the quoted specification.

STUDIO FURNITURE

More powered chair options

Compare adjustment, size and load rating for your intended workspace.

REFERENCE AM65

Derma chair

Listed load	200 kg
Listed size	1900 x 900 x 610 mm
Adjustment	3 motors; remote control
Upholstery	Synthetic leather / PVC / PU; sponge

Confirm colour, dimensions and supplied accessories.

REFERENCE AM66

Automatic chair

Listed load	200 kg
Listed size	1900 x 900 x 610 mm
Adjustment	2 / 3 motors; remote control
Upholstery	Synthetic leather / PVC / PU; sponge

Confirm whether the quoted version has two or three motors.

REFERENCE AM67

Derma chair with detachable pillow

Listed load	200 kg
Listed size	1900 x 900 x 610 mm
Adjustment	3 motors; remote control
Upholstery	Synthetic leather / PVC / PU; sponge

Confirm colour, dimensions and supplied accessories.

STUDIO FURNITURE

Hydraulic & table chairs

Compare adjustment, size and load rating for your intended workspace.

REFERENCE AM62

Hydraulic chair

Listed load	200 kg
Listed size	1830 x 620 x 640 mm
Adjustment	Hydraulic
Upholstery	Synthetic leather / PVC / PU

Confirm colour, dimensions and supplied accessories.

REFERENCE AM64

Hydraulic chair

Listed load	200 kg
Listed size	1830 x 620 x 640 mm
Adjustment	Hydraulic
Upholstery	Synthetic leather / PVC / PU

Confirm colour, dimensions and supplied accessories.

REFERENCE AM63

Adjustable table chair

Listed max. load	330 kg
Frame / upholstery	MS / PU leather
Control	Handset
Listed input	100-120 V; 50 / 60 Hz

Source calls this "Crop Table Chair". Confirm motor count and local power compatibility.

Furniture data: supplied reference brochures. Dimensions retain the source order; confirm the quoted specification.

STUDIO FURNITURE

Manual procedure chairs

Compare adjustment, size and load rating for your intended workspace.

REFERENCE AM68

Manual procedure chair

Listed load	120 kg
Frame	Stainless steel
Headrest / footrest	Manually adjustable
Upholstery	Synthetic leather / PVC / PU

Stool is pictured; confirm whether it is included.

REFERENCE AM69

Manual chair

Listed load	120 kg
Frame	Stainless steel
Headrest / footrest	Manually adjustable
Upholstery	Synthetic leather / PVC / PU

Confirm colour, dimensions and supplied accessories.

REFERENCE AM70

Manual hair-transplant chair

Listed load	100 kg
Frame	Stainless steel
Headrest / footrest	Manually adjustable

Confirm colour, dimensions and supplied accessories.

Furniture data: supplied reference brochures. Dimensions retain the source order; confirm the quoted specification.

STUDIO FURNITURE

Electric studio beds

Compare adjustment, size and load rating for your intended workspace.

REFERENCE AM80

Electric bed

Listed load	155 kg
Listed size	1830 x 620 x 640 mm
Format	Non-folding
Battery backup	Optional, per source

Confirm colour, dimensions and supplied accessories.

REFERENCE AM81

Derma electric bed

Listed load	150 kg
Backrest	Adjustable
Format	Non-folding
Battery backup	Optional, per source

Confirm voltage, dimensions and warranty in the quotation.

REFERENCE AM83

Electric bed

Listed load	155 kg
Listed size	1830 x 620 x 640 mm
Format	Non-folding
Battery backup	Optional, per source

Confirm colour, dimensions and supplied accessories.

Furniture data: supplied reference brochures. Dimensions retain the source order; confirm the quoted specification.

STUDIO FURNITURE

More electric bed options

Compare adjustment, size and load rating for your intended workspace.

REFERENCE AM84

Electric bed

Listed load	155 kg
Listed size	1830 x 620 x 640 mm
Format	Non-folding
Battery backup	Optional, per source

Confirm colour, dimensions and supplied accessories.

REFERENCE AM85

Electric bed

Listed load	155 kg
Listed size	1830 x 620 x 640 mm
Format	Non-folding

Confirm colour, dimensions and supplied accessories.

REFERENCE AM79

Phlebotomy chair

Source dimensions	790 x 460 mm
Frame	MS
Colour	Customised, per source
Load / full dimensions	Not supplied; confirm

Confirm colour, dimensions and supplied accessories.

Furniture data: supplied reference brochures. Dimensions retain the source order; confirm the quoted specification.

PLAN YOUR STUDIO

Start with your working space.

A planning checklist to help us understand what you need. Items below are enquiry categories, not a fixed package.

01

Choose the machine

Shortlist a model, confirm cartridge compatibility and decide how you want to manage power and backup.

02

Choose the furniture

Compare manual, hydraulic and powered adjustment. Confirm load rating, dimensions and upholstery for your intended use.

03

Plan the supporting equipment

Discuss task lighting, artist seating, trolleys and storage. Ask about availability and specifications for each item.

04

List your consumables

Specify cartridge types, pigments, mapping tools and protective supplies. Confirm compatibility and quantities separately.

05

Confirm delivery & support

Request written details for tax, freight, installation, warranty, spare parts and training if required.

For a phased setup, tell us what you need first and what can follow later. We can discuss the shortlist around your requirements.

Equipment selection does not replace practitioner training, appropriate facilities or the manufacturer's instructions.

REFERENCES & CATALOGUE NOTES

Clear sources. Clear choices.

Machine specifications and images were referenced from Tattoo Gizmo on 18 September 2026.

Product identity

The Skin Guru presents this selection for enquiries. Original machine names and furniture reference codes are retained; no manufacturer or authorised-dealer status is implied.

Furniture references

The supplied brochures provide 26 distinct entries. Repeated AM59, AM62 and AM83-85 entries were removed. AM82 was excluded because its name, image and specifications were missing.

Specifications & photographs

Listed values have not been independently tested. Exact variants, kit contents, compatibility, availability and commercial terms must be confirmed. Furniture photos retain the resolution of the supplied references.

Ordering details

Pricing is supplied privately. Any warranty, installation, training, tax and freight terms apply only as agreed in the final quotation. Photographed accessories or colours are not automatically included.

Click a source label above to open its product page. TSG-M references are enquiry identifiers, not manufacturer SKUs.

YOUR NEXT CHAPTER

Let's build your shortlist.

From one machine to a studio setup, start with a conversation.
